NOTE: You will be free to choose your seat upon arrival, there will be no seat assignments. We are going to have tables set up with 6, 8 or 10 seats this year to encourage everyone to sit in larger groups in order to promote members getting to know others in our group rather than just sitting with your friends. The hostesses will assist anyone who needs a little extra space for walkers or wheel chairs. Therefore, we will not be taking requests for RESERVED SEATING this year.

There will be ample seating and plenty of room to sit with your friends and also have some space at your table to invite others to join your group, as we have had many new members this year.

THANKS FOR YOUR COOPERATION,
